

What is Healthcare Now of Md?

www.mdsinglepayer.org
info@mdsinglepayer.org

Healthcare-Now of Md. is a citizens advocacy group composed of people dedicated to promoting single-payer, universal healthcare coverage in Maryland and the USA. To us, this means the profit motive must be removed from health care coverage to guarantee its availability to all.

We are from all walks of life and from all regions within Maryland. Workers and professionals, men and women, African-Americans, Hispanics, and whites. We are activists.

Formed in 1990 as UHCAN of Maryland, we became Healthcare-Now of Md. in 2006. We meet monthly in Baltimore at the Episcopal Diocesan Center, 6 E. University Parkway. Meetings are open to members, friends, and newcomers.
